

A NOTE FROM PASTOR PHIL

One of the Illinois District's four pillars, Healthy Pastors, includes our desire to serve IDC ministers AND their families.

For many years, we have offered the Hilton Griswold Scholarship. These funds are disbursed on behalf of our PKs across the state. In previous years, we have sent monies on behalf of our PKs to several AG Schools: Called College, Evangel University, James River College, North Central University, SAGU, Life Church Leadership College, Northpoint Bible College, Southeastern University, and AGTS. I believe that PKs have a distinct advantage over other ministry students. This type of scholarship helps your church's future pastor prepare for ministry.

We are blessed to be able to encourage and support the next generation of young adults who are pursuing God's call. Let's work together to continue to build His Kingdom through equipping the next generation of ministers!

HILTON GRISWOLD SCHOLARSHIP ANNUAL

FUNDING

This scholarship was originally funded by Revs. Larry and Coleen Griswold. Each year, I ask churches to take an offering or designate a gift for the scholarship. These funds are used specifically for PKs who are pursuing a ministry degree. Funds help strengthen our churches and help educate future pastors, evangelists, missionaries, and all those being called into ministry. We pray that your church would consider a gift or offering. We could not provide this blessing without your help! You can send your contribution to the District Office, marked "Hilton Griswold Scholarship". Thank you for your gift!

QUALIFICATIONS

- Child of a credentialed minister in the Illinois District
- Enrolled Full-Time at one of our AG schools
- Pursuing a Ministry Degree

APPLICATION

If your child meets the above qualifications, please submit the following information to our Illinois District Office:
